**APPLICATION FOR RETIREE MEMBERSHIP**

**Membership for retirees provides access to all FLA-PAC services and benefits.**

FLA-PAC is the premier association of law enforcement, corrections and public safety communications accreditation professionals in the USA! FLA-PAC provides a network for member agencies that encourages communication, mutual cooperation, training, support, and the sharing of resources. Our extensive email request program places you in contact with information resources across the state. Whether you need a model policy, information on a vendor or product, or any other question you need an answer to for the benefit of your agency, FLA-PAC members are always willing to help.

Accreditation Week Conferences are held three times each year in February, June, and October, coinciding with the meetings of the Commission on Florida Law Enforcement Accreditation (CFA) and the Florida Corrections Accreditation Commission (FCAC). Training opportunities for every level of accreditation experience are available at the conference. CFA, FCAC, and/or the PAC may present sessions featuring a variety of topics. At each conference, PAC committees provide various services to the membership. Among the most valuable is the File Review Committee, which provides review and analysis of completed standards files brought by member agency representatives. We invite you to become a Member!
